

PhpBB

Description

This application will enable you to create a forum with all the services necessary for your community. All the tools are present either in the basic application, or on the list of plugins.

Installation

The installation procedure is the same for every module in OVH. You may see the manual [here](#)

Site

Example: <http://votre-site-en-1-clic.com/phpBB/>

Official site: <http://www.phpbb.com/>

Administration
